

LIGHTHOUSE

PREGNANCY CENTER

Dear Friends of Lighthouse, We hope you had a wonderful Thanksgiving, and that your holiday season will be filled with peace and joy. We at Lighthouse Pregnancy Center have much to be thankful for during this season! Below is a list of just a few of the things, and it certainly is not all-inclusive. We hope as you reflect during this season that you find many things to be thankful for as well: "giving thanks always and for everything to God the Father in the name of our Lord Jesus Christ" (Ephesians 5:20).

Wendy Beukelman, Director

Here are just a few things we are thankful for this November:

- Our Volunteers!! We could not do what we do without them! They are committed, they work hard, they are dependable, they care, and they love Jesus. They are a joy to work with, each and every one of them, and this center is blessed to have them serving in this capacity.
- All of those (and there were many) who helped with the Sugar Plum event. It went very well, and we are also thankful to Rick and Melva Barton for purchasing a sign for this event to help people locate our booth in the little room assigned to us.
- Our Clients: the walk-ins, the appointments, and the individuals committed to weekly attending our Earn While You Learn program. We are here to serve them, but they enrich our lives as well as we see them face their circumstances with courage and determination.
- The girls at Gunnison High School who attend the Get Real Club led by Michelle Duft, who specializes in relationship and sexual risk avoidance training.
- The space generously donated to us for our continued use in Bethany Baptist Church. Even while praying for a new building, we are incredibly blessed to have two spacious offices to continue to operate in, as well as storage space.
